Continue with emphasis area and elective courses as needed to complete program of study
Note: For the first four semesters, doctoral core courses are paired in terms of on-campus meeting dates. Therefore, students should register for the same section of each course, e.g., EDUF 9133 Section 01P and EDUF 9234 Section 01P. Courses in the Curriculum Studies and Research and Inquiry Core are only offered once per year, so it is important to maintain required course sequence. Students should register as soon as possible for all courses, including prerequisites, if needed.
