How to Participate

What: You are cordially invited to participate in Georgia Southern University College of Education’s 14th annual Art Extravaganza.

Why: This event spotlights the artwork of exceptional art students in our region, grades Pre-K through 12.

When: Mark your calendars, this spectacular event will take place on March 4th, 2018 from 2-4 pm.

Where: Georgia Southern University’s College of Education

Who: We ask certified art teachers in the College of Education’s service region to select up to THREE pieces of student artwork.

**Note: Schools are only allowed to send 3 TOTAL pieces.

Guidelines

(1) Artwork is limited to 18” x 24” due to the frames that are already in place. Work larger than this size will not be accepted. If you plan to submit 2-D pieces smaller than this size, then the art teacher is responsible for properly matting the work to fit into the 18” x 24” frame prior to submission. Work that is under glass and/or already framed is prohibited.

(2) Please have the student and his/her parent(s) or guardian(s) complete the enclosed Entry Form. Make a copy of completed form and tape it on the back of the student’s artwork. Two copies of the Entry Form are required, the original for our files and the copy attached to the back of the artwork.

(3) Each piece of artwork must be received by mail or delivery by 5:00 pm on February 9, 2018.

Special points of interest:

The College of Education will frame the submitted artwork under acrylic in 18” x 24” wood frames. Each piece will be displayed with a label that identifies the artist, school, grade and certified art teacher. As one exhibit ends and another begins, we will return each student’s artwork to the appropriate school’s art teacher.

We would love to have you in attendance at the gallery opening and reception, which will consist of students, educators, and dignitaries from the region. The “welcome” and short opening remarks will be held in the COE Auditorium, room 1115. Following the program we will move to the art gallery on the 1st and 2nd floor where the reception will be held. Students may wish, and are encouraged, to write letters to their principals and superintendents inviting them to this event. Students’ family members and friends are welcome and encouraged to attend. The event is open to the public.
