TEACH Grant Program
The College Cost Reduction and Access Act of 2007 created the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program that provides up to $3708 (which is $4000 grant minus a 7.3% sequester amount $292) per year in grants to students who intend to teach full-time in high-need subject areas for at least four years at schools that serve students from low-income families.

Teaching Obligation
In exchange for receiving the TEACH Grant, you must agree to serve as a highly-qualified, full-time teacher (www.ed.gov/policy/elsec/leg/esea02/pg107.html) in a high-need subject area for at least four years at a school serving low-income students. You must complete the four years of teaching within eight years of finishing the program for which you received the grant. You incur a four-year teaching obligation for each educational program for which you received TEACH Grant funds, although you may work off multiple four-year obligations simultaneously under certain circumstances.

IF YOU FAIL TO COMPLETE THE FOUR-YEAR TEACHING OBLIGATION YOU WILL HAVE TO REPAY THE GRANT WITH INTEREST!!!

Application Procedures
Please keep the application and all pages (1-4) together as one document. Send original pages of your application and forms to the College of Education Student Success Center, PO Box 8029, Statesboro, GA 30460 or deliver the forms to room 1107 in the College of Education Building. Submission through FAX will not be accepted.

Incomplete applications and forms cannot be processed and will be returned to the address listed on the application.

A student must file the application on or before the last day of the academic term or the student’s withdrawal date, whichever occurs first, in order to receive funds for that academic term. The last day of the academic term is the last day of exams.
