Office of Undergraduate Teacher Education

**Mission:** Support initial teacher education programs and coordinate field experiences and clinical practice in collaboration with the various programs, public schools, and international partners. The Director of Field Experiences and Partnerships facilitates the Clinical Associate Program, Clinical Supervisor Program, the Partner School Program, and criminal background checks. Under the direction of the Associate Dean, the office facilitates COE assessment activities and all accreditation and accountability activities with the National Council for Accreditation of Teacher Education, the Georgia Professional Standards Commission, and the University System of Georgia Board of Regents.
